How to use this

These posts are meant to create replies, DMs, and leads.

They are more sales-forward than the other packs.

Use them after trust has started building.

CTA options you can rotate:

- `Comment REEL`

- `Comment LAB`

- `Comment RUPEE`

- `DM me REEL`

1

I make short cinematic reels for founders, musicians, and creators who need stronger positioning.

If you want one, comment `REEL`.

2

If your product is real but your content still looks forgettable, I can turn it into a short launch reel.

Comment `REEL`.

3

I?m taking on a few reel projects this month.

1 reel: `?1,500`

3 reels: `?4,000`

Comment `REEL` if you want details.

4

A lot of people do not need more content ideas.

They need one asset that makes the offer easier to understand.

That is what I build.

Comment `REEL`.

5

If you are launching a product, song, service, workshop, or personal brand, a short cinematic reel can make the first impression much stronger.

Comment `REEL`.

6

I help founders turn product screenshots and ideas into short reels people actually watch.

If that would help your launch, comment `REEL`.

7

For musicians and artists:

I can turn your song, concept, or visual mood into a short promo reel.

Comment `REEL` if you want one.

8

For solo builders:

If your product still needs too much explanation, I can help turn it into a cleaner visual story.

Comment `REEL`.

9

I?m packaging cinematic AI reels for people who need better launch content without building a full agency setup.

Comment `REEL`.

10

One of the easiest ways to sell faster is to reduce how much explaining the buyer has to do in their own head.

That is what a good reel does.

Comment `REEL`.

11

If you want a 20-second launch asset for your product, I?m offering a starter package right now.

Comment `REEL`.

12

The service is simple:

- you send the product, offer, or story

- I shape the script and visual flow

- you get a short reel built to hold attention

Comment `REEL`.

13

I?m not trying to be a giant agency.

I?m offering a sharp, practical reel service for people who need better launch proof.

Comment `REEL`.

14

If you have a product page, music release, or coaching offer that feels flat, I can help turn it into a more compelling short reel.

Comment `REEL`.

15

Short-form content works best when it creates clarity, not just motion.

If you want that kind of reel, comment `REEL`.

16

I also packaged the workflows behind this into practical PDFs.

If you want the digital product side, comment `LAB`.

17

If you want the free/cheap tools and workflow side of cinematic AI production, I made a guide for that.

Comment `LAB`.

18

If you want the practical monetization side ? how to turn skill into first income ? I made that too.

Comment `RUPEE`.

19

I?m building in public around one simple idea:

make stronger reels, sell cleaner offers, and help more creators cross into income.

If you want in, comment `REEL`.

20

A reel does not need to be loud.

It needs to make the right person understand the value fast.

Comment `REEL`.

21

Offer for founders:

I can take your existing landing page copy and turn it into a short launch reel concept.

Comment `REEL`.

22

Offer for musicians:

I can turn a track, mood board, or lyric idea into a visual promo reel.

Comment `REEL`.

23

Offer for coaches and consultants:

I can turn your service promise into a short authority reel.

Comment `REEL`.

24

Offer for creators:

If your work is strong but your presentation is weak, that gap is fixable.

Comment `REEL`.

25

I currently recommend this simple ladder:

- start with 1 reel

- move to 3 reels

- then monthly package if it works

Comment `REEL`.

26

If you are curious but not ready to buy a service, start with the PDF guides.

Comment `LAB` or `RUPEE`.

27

Sometimes the first sale does not come from making more.

It comes from packaging what already exists.

That is the work I?m doing.

Comment `REEL`.

28

I can work from:

- your product screenshots

- your offer description

- your script idea

- your music

- your visual references

Comment `REEL`.

29

If you want me to send pricing and examples, comment `REEL` and I?ll DM you.

30

I?m open for a limited number of reel projects right now.

If you want one, comment `REEL`.

Fast reply scripts

When someone comments REEL

Thanks ? sending you details now.

When someone comments LAB

Thanks ? I?ll send you the `Free GPU Film Lab` details.

When someone comments RUPEE

Thanks ? I?ll send you the `First Rupee Playbook` details.

Positioning note

Do not use direct-offer posts every day.

Mix them with founder, memoir, artist, and small engaging posts so the page does not become one long sales wall.
